Promise 1000 Expansion

Nodaway, Worth, Gentry, Carroll, Ray

\$200,000

The *Promise 100 Home Visiting Collaborative* connects vulnerable families to in-home supports that optimize the beginning years of life for young children prenatal to age three - the first 1000 days of life. *Promise 1000* works to improve maternal and child well-being, promote healthy child development and school readiness, and increase the safety and resiliency of participating families. This expansion funding will permit *Promise 1000* to serve approximately 60-75 additional families living in five new service counties. Easter Seals Midwest (Nurturing Parenting Program) is the network member providing services to the expansion counties.

REGION 5

Generate Health

St. Louis Home Visiting Collaborative

St. Louis City, St. Louis County

\$98,864

The *St. Louis Home Visiting Collaborative* is a Collective Impact program with Generate Health serving as the backbone organization. Generate Health has a twenty year history of convening partnerships focused on maternal, child and family health. The *St. Louis Home Visiting Collaborative* will be modeled after *Every Child Succeeds* and *Promise 1000* and proposes to create the following infrastructure to support network members:

- Develop a seamless intake and referral process
- Create a shared data system, including standardized data collection, shared outcomes, standards and quality measures
- Coordinate standardized trainings for home visitors that align with targeted outcomes
- Expand home visiting to serve more families and work to eliminate racial disparities in maternal, child and family outcomes

The network partners include St. Louis County Department of Health, Parents As Teachers (PAT) National Center, Nurses for Newborns, Great Circle, Raising St. Louis, Good Shepherd Child and Family Services, and Saving Our Babies and Family Engagement Services.
